Competent Authority has approved that restructuring of post of Senior Engineer (IT) and Junior Engineer (IT) of EDP Cadre will be with reference to the sanctioned strength as on 01.04.2017 in the percentage of 67:33 respectively. Accordingly, Board's letter of even No. dated 18.4.2017 (RBA No. 45/2017) is partially amended in respect of below mentioned paras.

For	Read as
<p>1. <u>Date of Effect:-</u></p> <p>(a) The restructuring of post of Senior Engineer (IT) and Junior Engineer (IT) will be with reference to the <u>cadre strength in operation as on 01.04.2017.</u></p> <p>(b) The staff who will be placed in Higher Grade pay as a result of implementation of these orders will draw pay in Higher Grades w.e.f. 1.4.2017.</p> <p>(c) The benefit of restructuring will be restricted to the persons who are working in a particular cadre on the cut-off date i.e. 01.04.2017.</p> <p>(d) Therefore, posts not in operation would be treated as deemed to have been surrendered, and the resultant saving equivalent to the surrendered posts will be credited to the vacancy bank.</p>	<p>1. <u>Date of Effect:-</u></p> <p>(a) The restructuring of post of Senior Engineer (IT) and Junior Engineer (IT) <u>will be with reference to the sanctioned strength as on 01.04.2017.</u></p> <p>(b) No change.</p> <p>(c) No Change.</p> <p>(d) Deleted.</p>

For	Read as
<p>9. Matching Savings Sub-para (i) :- Entire scheme of restructuring is to be a self-financing and expenditure neutral proposition. Financial implications should be worked out taking into account mid-value of pay structure (level) as per pay matrix notified vide Part 'A' of Ministry of Railways Gazette Notification dated 28.07.2016 (RBE No. 90/2016). Sub-para (ii) :- Since the benefit of restructuring will be restricted to the persons who are working in IT cadre on the cut-off date i.e. 01.04.2017, the post not in operation would be deemed to have been surrendered and the resultant saving equivalent to the surrendered posts will be credited to vacancy bank and thus the cadre restructuring would be expenditure neutral proposition. Where the money value due to such surrender proves inadequate for financing the restructuring exercise, the required matching surrender may be arranged at the Divisional/Zonal level. There would be no cadre restructuring without matching savings by surrender of posts. Sub para (iii):- The percentage distribution of posts as per these orders is to be based upon the operational cadre strength as on 01.04.2017.</p>	<p>9. Matching Savings Sub-para (i) :- No change. Sub-para (ii) :- Deleted. Sub-para(iii):- The percentage distribution of posts as per these orders is to be based upon the sanctioned strength as on 01.04.2017.</p>

All the other terms and conditions indicated in RBA No. 45/2017 remains unchanged.

Zonal Railways/Production Units are required to implement the above and submit an Action Taken Report (ATR), which shall inter alia, contain details of Sanction Strength of SE(IT)/JE(IT) as on 1.4.2017, revised Sanction Strength after restructuring has been done and number of posts surrendered and credited to the Vacancy Bank. This Action Taken Report may be submitted to Board's Office latest by 1st May, 2019 with the concurrence of Associate Finance.
